

class, style & dignity since 1997

It's not just about the numbers,

With only a single pot, gas griller, display fridge, paraffin stove and two employees the concept of **Africa's Ultimate Shisanyama** was born

in a container in Ivory Park, Gauteng and has today become the fastest growth area in the food, beverage and hospitality industry in South Africa.

Today

On a normal busy day, we make over 400 litres of iPapa for our loyal patrons

1997

2 litres of iPapa was made for patrons daily.
